

Acorn Centres of Technology

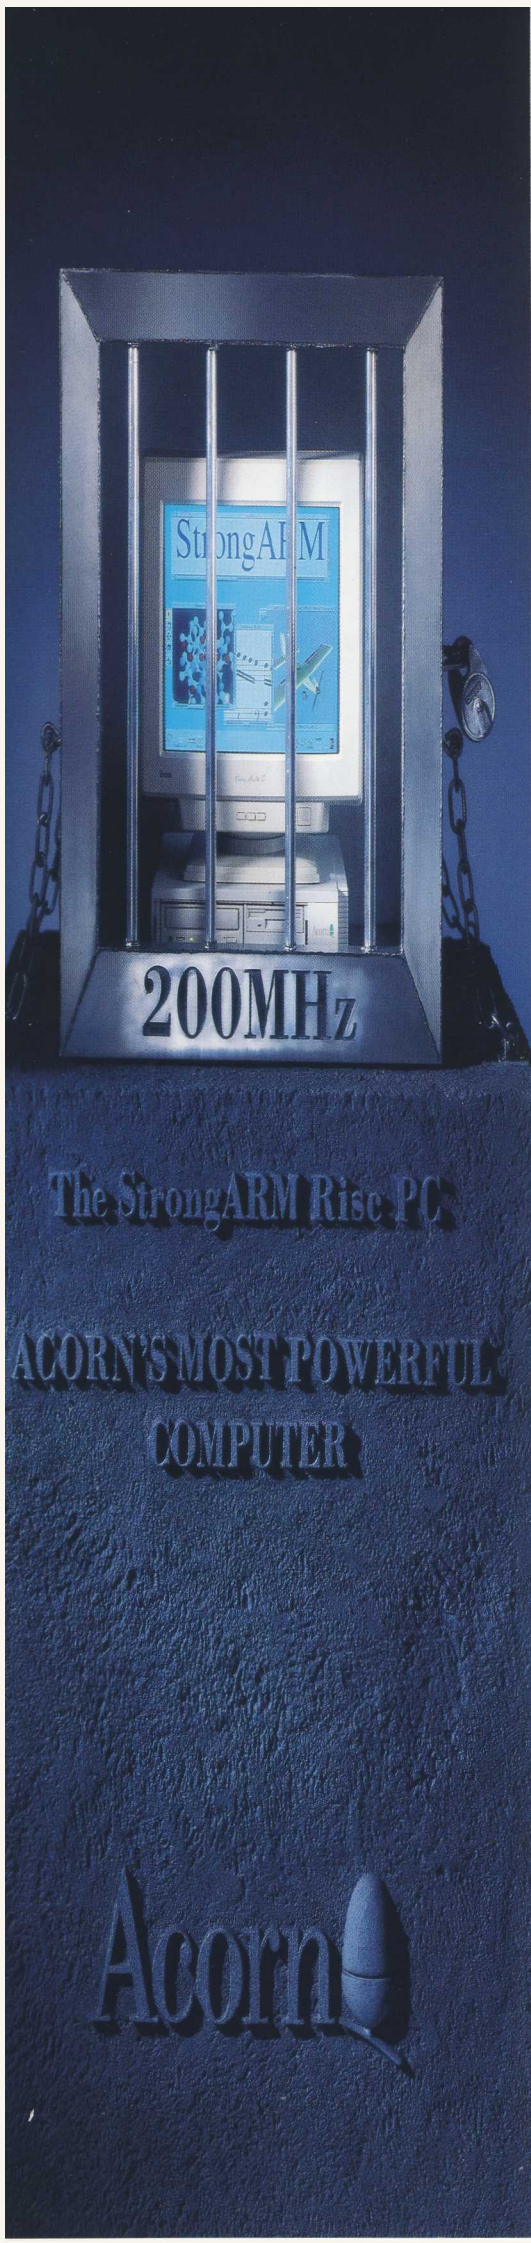

Acorn Centres of Technology are a group of dealers who have been selected by Acorn's enthusiasts for the very high level of support and commitment they offer the Acorn platform.

Acorn Centres of Technology have the facilities to demonstrate the latest computers from Acorn, together with a wide range of related hardware and software products.

Acorn works very closely with these Centres of Technology to ensure that they have access to the latest information about upgrades and enhancements to existing systems.

To contact your local Centre of Technology dial 0990 329070.
