WELCOME TO THE FUTURE

RISC PC

Risc PC from Acorn offers all the traditional strengths of RISC processing, and a great deal more, **at a remarkably affordable price.**

- The world's most cost-effective, efficient 32-bit RISC computers
- Low-cost processor upgrade strategy, protecting your investment today and into the future
- RISC OS - a powerful, multi-tasking operating system, tried and tested by millions of users
- A wealth of powerful applications software from personal productivity tools to true multimedia
- Low cost access to DOS and Windows applications
- Lightning fast manipulation of still and moving images
- High performance multi-channel stereo sound as standard on all models
- Modular and upgradable computer systems that grow with your needs

Welcome to Risc PC from Acorn. The new generation of personal computing.
