

SALES NEWS Issue 114

3rd October 1994

Dear Dealer

Product Announcement

Acorn is pleased to announce that the A4000 model has increased in hard disc capacity with immediate effect, as follows:

Previous version	AGC40	A4000 2M HD105
New version	AGC50	A4000 2M HD210 P

Recommended retail and dealer prices remain the same. Outstanding orders have been transferred to the new product code, AGC50.

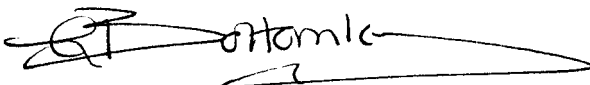

Obsolete Product

The following products are no longer available directly from Acorn. However, many third party companies produce similar products.

AKA53	A3000 1MB Upgrade
ADF10	Master Econet Module
AKA16	Midi Podule
AEH31	Econet Socket Kit
AKB62	A4 FD
AKA05	ROM Podule
AGA32	PC Card 486

Outstanding orders are hereby cancelled.

Yours faithfully

Tracy Bottomley
Sales Desk Supervisor
