

SALES NEWS Issue 124

15th December 1994

Dear Dealer

A3020 HD System - IMPORTANT NEWS

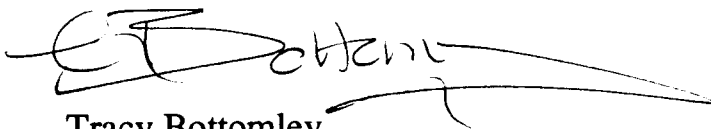

Acorn has made a significant change to its range of A3020 computers. With immediate effect an A3020 HD60 (AGB23) becomes an A3020 **HD80** (AGB33)

The increased capacity of the hard disc is supplied **without any increase in price**, so you can offer this advantage to your customers as a Christmas present from Acorn!

Submit your orders now to ensure that you can take full advantage of this change and use it during the pre-Christmas sales period.

(All outstanding orders for AGB23 have been transferred to AGB33).

Yours faithfully
