

SALES NEWS Issue 55

30th October 1992

Dear Dealer

Acorn Pocket Book

We have now taken delivery of our first consignment of the new Acorn Pocket Book, AHB03. Based on the widely acclaimed PSION Series 3 range of palm-top computers, the Acorn Pocket Book comes with a range of built-in software:

- Word Processor
- Spelling Checker
- Spreadsheet
- Database
- Scientific Calculator

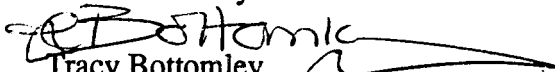

When used with the optional A-Link files can be easily transferred to and from the full range of Acorn RISC OS systems. The Pocket Book is available singly or as a 'Class Pack'. The Class Pack, AHB 10, consists of ten pocket books which provides exceptional value to education - when the education establishment registers the Class Pack purchase with Acorn, by completing the voucher enclosed in the consignment, they will receive an additional Pocket Book and an A-Link free of charge.

The following peripherals and accessories become available during November:

Code	Description	RRP Exc VAT
AHA30	A-Link	51.02
AHA31	Parallel Link	25.49
AHA20	RAM disc 128K	68.04
AHA21	Flash disc 256K	59.53
AHA22	Flash disc 512K	102.09
AHA41	OPL Editor	59.53
AHA35	Mains Adaptor	12.72

Normal dealer discounts apply. The Pocket Book and its accessories are available from your normal supplier. Please ensure that your order is placed immediately to avoid disappointment!!

Yours faithfully

Tracy Bottomley
