Level 4 Fileserver Release 3

The above is due for release very shortly and will contain the Application Accelerator as an integral part (not available for sales as a separate item). Below are details:

Code	Description	RRP Exc VAT
AES50	Level 4 filserver Release 3	£399

An upgrade path will be available. Details will follow shortly.

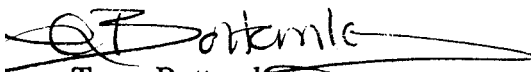

CDFS/SCSI Upgrade

At the end of February, an enhanced version of the above product will be available. Because of the enhancements, a new product code has been issued, AKA35. Outstanding orders for AKA34 have been transferred to the new code. Prices remain the same.

Acorn Assist

Acorn Assist has been extended until the end of April 1994 and now includes Marks and Spencer's vouchers amongst the gift selection.

Yours faithfully
