

### The challenge

This is the new Acorn workstation developed to supersede the phenomenally successful Risc PC. Phoebe builds on the strengths of the Risc PC and has new features to provide superb performance and upgrade flexibility.

- Full potential of StrongARM is harnessed
- Support for several StrongARMS
- PCI support
- Updated I/O to modem standard
- Best possible graphics performance
- Enhanced RISC OS functionality (RISC OS 4 *includes support for long filenames, less complex !Boot sequence, enhanced configuration options*).
- Existing RISC OS applications will run

### New case (shown opposite)

This new case builds on all of the good points of the existing design and includes many more:

- 3 podules
- 4 Built-in PCI sockets
- 230W PSU
- No screws required to access
- Peripherals are separate from the main system
- New EIDE hard disc interface for up to 4 drives

## The new Acorn for the millennium

### Ordering your Phoebe

If you'd like to reserve your place in the queue, complete the form below and return it to us as soon as possible. The deposit of £100 will be banked, and the balance (£1399 + VAT without monitor, £1619 + VAT with monitor) will be due when the machine is released (around September).

A new finance scheme - 0% finance over six months, will be introduced allowing for easy payments and, with every Phoebe, we'll give Sleuth 2 OCR, and an extra 32Mb of RAM.

Buy from the dealer you can trust. As Acorn's longest established dealer with a history of technical support second to none, we'll support you in the years to come.

For more information on Phoebe, call and ask

### Order Form

Please put me into the queue for Phoebe. I enclose the deposit of £100 inc VAT, which will be banked, in the form of cheque/postal order (made payable to BEEBUG Ltd) or please debit my credit card:
