

Acorn Computers limited, 4a Market Hill, Cambridge CB2 3W, England. Telephone 0223 312772

COMPUTER SYSTEMS.

System 1 comprising 6502 CPU with 512 byte monitor in ROM and cassette interface with hex keyboard and 8 digit display etc.

Kit.....	65.00	74.75
Assembled and tested.....	79.00	90.85
System 1 mains adaptor.....	5.95	6.84
INS 8154 RAM-IO.....	9.00	10.35

System 2 comprising 6502 CPU, cassette interface, teletext. VDU interface, 4K RAM card, card frame, backplane, guides and connectors for 4 cards, COS ROM and 4K BASIC ROM.

Kit.....	285.00	327.75
Assembled and tested.....	320.00	368.00

System 2A comprising 6502 CPU, cassette interface, teletext VDU interface, 8K RAM card, card frame, buffered backplane, guides and connectors for 8 cards, COS ROM, 4K BASIC ROM, 4K FP extension EPROM, front panels and peripheral connectors in a 3U case with 5v/3a power supply.

Assembled and tested.....	480.00	552.00
---------------------------	--------	--------

System 3 comprising 6502 CPU, teletext VDU interface, 8K RAM card, floppy disk module with controller card, card frame, backplane, guides and connectors for 3 cards and module, DOS EPROM and 4K BASIC ROM.

Kit.....	710.00	816.50
Assembled and tested.....	775.00	891.25

System 3A comprising 6502 CPU, teletext VDU interface, two 8K RAM cards, floppy disk module with controller card, card frame, buffered backplane, guides and connectors for 8 cards and module, DOS EPROM, 8K BASIC on disk, front panels and connectors in a 3U case with 5v/3a and 12v/3a power supply.

Assembled and tested.....	1075.00	236.25
---------------------------	---------	--------

System 4A comprising 6502 CPU, teletext VDU interface, two 8K RAM cards, disk controller card, two floppy disk modules, 6U card frame, buffered 14 card backplane, guides and connectors for 14 cards and modules, DOS EPROM, 8K BASIC on disk, front panels and connectors in a 6U case with 5v/8.6a and 12v/4.5a power supply.

Assembled and tested.....	1525.00	1753.75
---------------------------	---------	---------

SYSTEM PERIPHERALS.

Cased ASCII Keyboard and cable.....	96.00	110.40
9 inch Video Monitor and cable.....	136.00	156.40
Sony Colour Monitor and cable.....	365.00	419.75
Paper Tiger Printer and cable.....	625.00	718.75
RP1600 Daisy-Wheel Printer.....	1460.00	1679.00

ADDITIONAL CARDS FOR SYSTEMS.

Versatile Interface Board with Centronics style printer output and RS232 (or 20mA) input/output including on board +/- 12v convertor, front panel and connectors.	
Assembled and tested.....	94.00....108.10
8K RAM card with sockets for additional ROMs including front panel and connector.	
Assembled and tested.....	105.00....120.75
Cassette Interface including front panel and connectors.	
Assembled and tested.....	26.10..... 30.01
Daisy-Wheel Printer Interface including driver software, front panel and connectors.	
Assembled and tested.....	60.00..... 69.00
Analogue Interface including front panel and connectors.	
Assembled and tested'.....	158.00....181.70
Laboratory Interface including front panel and connectors.	
Assembled and tested.....	122.00....140.30
Laboratory Remote Panel Assembly.	
Assembled and tested.....	85.00..... 97.75
Laboratory Cable.	
.....	6.00 + 3.00 per metre plus 15% VAT
PROM Programmer including connectors (ZIF for 24 and 16 pin devices) and driver software.	
Assembled and tested.....	65.00..... 74.75
Blank Front Panel	
Kit or assembled.....	2.40.....2.76

MEDIA.

Blank C15 Cassette.....	0.60.....0.69
Blank Mini-floppy Disk.....	3.00.....3.45
Blank 2 Kbyte EPROM.....	30.00..... 34.50
Blank 4 Kbyte EPROM.....	65.00..... 74.75

SOFTWARE.

Add price of the required blank media. The 4K integer BASIC only is available in ROM at no extra media charge.

4K integer BASIC.....	25.00..... 28.75
4K floating point extension.....	15.00.....17.25
2K ONLI (real time) extension.....	50.00..... 57.50
6502 ADE.....	30.00..... 34.50
Text editor and processor.....	80.00..... 92.00
LISP interpreter.....	75.00..... 86.25

ATOM COMPUTER & ACCESSORIES.

Atom Kit 8K ROM + 2K RAM.....	120.00	140.00
Atom Ass 8K ROM + 2K RAM.....	150.00	174.50
Atom Kit 12K ROM + 12K RAM.....	220.00	255.00
Atom Ass 12K ROM + 12K RAM.....	250.00	289.50
1K RAM sets.....	9.50	11.22
4K Floating Point ROM.....	20.00	23.30
Atom mains adaptor.....	8.00	10.20
Atom UHF PAL colour TV board.....	21.00	24.50

Printer Interface Parts:-

6522 VIA.....	9.00	10.35
74LS244 buffer.....	1.80	2.07
26 way ribbon cable header.....	2.80	3.22
Cable for Centronics type printers....	16.00	18.40

External Acorn Bus Parts:-

INS8208 and 2 of INS8202.....	7.00	8.05
64 way plug.....	2.60	2.99

DOCUMENTATION.

VAT does not apply to this section:-

Data on any Integrated Circuit.....	1.00
System 1 users manual.....	5.00
System 2 and COS manual.....	5.00
Disk drive and DOS manual.....	3.50
6502 ADE manual.....	3.00
6809 users manual.....	5.00
BASIC manual.....	7.50
Atom manual.....	8.00
Technical manual on any Eurocard....	2.50

6809 SYSTEM.

6809 C.P.U. assembled and tested...110.00	126.50
6809 CPU and Teletext VDU offer....160.00	184.00

OTHER PARTS.

All parts used in Acorn products are available including TTL and CMOS integrated circuits, card frames, power supplies and LSI devices eg; 6502, 6809, 6845, SAA5050, EPROMs, RAMs etc. Please contact Acorn for competitive price and delivery quotations.

EUROCARD KITS.

These prices are for basic kits. IC sockets are included but not connectors, panels etc:-

6502 Single Board Controller.....	35.00....	40.25
6502 C.P.U. kit.....	49.00....	56.35
6809 C.P.U. kit.....	98.00..	112.70
Memory board kit, no RAM.....	29.00....	33.35
Memory board kit, 1K RAM.....	39.00....	44.85
Memory board kit, 4K RAM.....	72.00....	82.80
Memory board kit, 8K RAM.....	95.00....	109.25
Teletext VDU interface kit.....	88.00....	101.20
Versatile Interface Board kit.....	69.00....	79.35
Cassette Interface Board kit.....	15.00....	17.25
Floppy Disk Module kit.....	369.00....	424.35
PROM programmer (incl ZIF skts)....	55.00....	63.25
Analogue Interface.....	132.00....	151.80
Disk Controller Card.....	120.00..	138.00
In Circuit Emulator.....	60.00....	69.00

EUROCARD ACCESSORIES.

32 way plug for Eurocard.....	1.60.....	1.84
32 way socket for back-plane.....	2.70.....	3.10
64 way plug for Eurocard.....	2.60.....	2.99
64 way socket for back-plane.....	4.00.....	4.60
8 card back-plane PCB.....	7.00.....	8.05
14 card back-plane PCB.....	18.00....	20.70
Blank front panel.....	2.40.....	2.76
Punched front panel.....	3.20.....	3.68
20 way ribbon header.....	2.40.....	2.76
26 way ribbon header.....	2.80.....	3.22
34 way ribbon header.....	3.40.....	3.91
40 way ribbon header.....	3.80.....	4.37
50 way ribbon header.....	4.60.....	5.29
Printer cable.....	16.00....	18.40
Daisy-Wheel printer cable.....	18.00....	20.70
Keyboard cable.....	10.00....	11.50
ICI Port cable.....	12.00....	13.80
Voltage convertor for VIB.....	6.50.....	7.48
UHF monochrome modulator.....	4.50.....	5.18
RGB to PAL encoder/modulator.....	22.50....	25.88

Prices are for August 1980 and they may change without notice. The nett price is shown together with the total price including Value Added Tax at the current rate and postage and packing charges for the United Kingdom. Discounts for quantity may be offered.
