

Training

insIghT into GNVQ

The essential conference for anyone involved in running or supporting GNVQ courses in schools and colleges

Who should attend?

- Teachers wishing to introduce GNVQs in their subject areas.
- IT co-ordinators needing to teach or support the teaching of the IT component in GNVQs.
- Anyone involved, or likely to become involved with GNVQs.

How will I benefit?

IT core skills are a mandatory part of every GNVQ. The *insight into* GNVQ conference is packed with information and ideas to help you integrate the IT core component into GNVQ subjects. The conference covers:

- The GNVQ concept
- IT core skill requirements
- How to deliver the IT requirement
- Where to obtain resources
- Methods of assessment
- Becoming a GNVQ assessor.

Insight into GNVQ is an opportunity to benefit from the experience of IT and education professionals, and to discuss your needs with other potential GNVQ users. In addition, you will take away a comprehensive conference pack which will be an invaluable reference for future use. The pack includes information provided by City & Guilds, BTEC and RSA.

Turn over to find out how you can gain your *insIghT* into GNVQ...

Acorn

Where and when?

The conference is being held at five major venues across the country from 15 November to 1 December 1994. Dates and locations are shown on the booking form below.

How do I apply?

Simply complete the booking form indicating your chosen venue and return it to the Conference Administrator (GNVQ). **The conference fee is £164.50, but Acorn is sponsoring a reduced price of just £105.75 for teachers who book before 31 October 1994:** The conference fee includes the cost of lunch, morning and afternoon refreshments, and the full conference pack.
