

# SALES NEWS Issue 112

5th September 1994

Dear Dealer

## **A4000 Computers**

We have only a very limited number of A4000s in stock, which we anticipate we last for approximately one week. Our next delivery is not expected until mid to end October.

Demand for the A4000 remains high and we would like to minimize disappointments caused by a product shortage. For this reason, allocations will be made strictly on the basis of 'first-come first-served'.

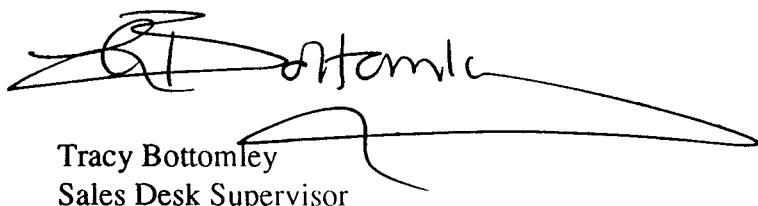

To ensure that you are able to satisfy your customers' requirements we recommend strongly that you submit your orders NOW for immediate shipment.

Our fax order hot-line number is: 0223 254253, or call our Sales Desk -

Melanie	0223 254429
Sue	0223 254430
Victoria	0223 254439
Tracy	0223 254494

Or order through your usual Distributor.

Yours faithfully

Tracy Bottomley  
Sales Desk Supervisor
