

# SALES NEWS Issue 125

19th January 1995

Dear Dealer

## **A3010 offer - extended**

You will be pleased to know that the Xmas 94 offer of a free of charge Action Pack software bundle with every A3010 Early Years and Learning Curve, has been extended until Tuesday 31st January 1995. Please ensure that you place your orders before this date to take advantage of this software offer.

## **Acorn Advance**

Acorn Advance, SKB77, SKY77 and SKY78 have been upgraded to offer the following features:

- removal of the software protection scheme so that installation is now quicker and easier
- an increase in maximum spreadsheet cell size from 5000 to 10000
- full compatibility with Risc PC

From the beginning of February 1995, owners of the previous version of Advance can upgrade to the new version by sending payment (details below) and proof of purchase to: Vector Services, FREEPOST, 13 Denington Road, Wellingborough, Northants, NN8 2BR (Tel 0933 279300).

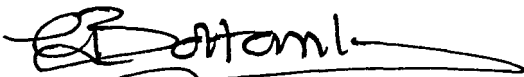

<b>Code</b>	<b>Description</b>	<b>Price Inc VAT £</b>	<b>Price Exc VAT £</b>
SKY81	Single User Upgrade	29.95	25.49
SKY82	Primary Site Upgrade	39.95	34.00
SKY83	Secondary Site Upgrade	49.95	42.51

*All prices include postage and packing*

For the single user upgrade, customers send in Program disc 1 as proof of purchase and for both the Site Licence upgrades, customers send in the site licence agreement as proof of purchase (which will be returned). Customers should retain both Data discs, the Project Guide and the slip case.

The upgrade will be available until 30th June 1995.

Yours faithfully

Tracy Bottomley  
Sales Desk Supervisor
