

# SALES NEWS Issue 43

20th January 1992

Dear Dealer

## Acorn Dealer List

I have recently contacted each authorised Acorn dealer to ensure that the information we have on our records relating to full company name and addresses are accurate, for use on our published Acorn Dealer List.

It is apparent that many dealers have not been informing me of any of the following changes:

Company trading name

Change of address

Additional branches

New telephone numbers (including when British Telecom insert extra digits!)

Fax numbers

It is in both our interests that the information we have on record for you is correct, as sales may be lost due to inaccuracies.

Please ensure that all amendments to your names and addresses are communicated to me either by telephone or in writing at your earliest convenience. *Please assist us in publishing accurate information by communicating any changes to us.*

If you would like to contact me to check the details we have for you, please telephone me immediately.

## Ink Jet Refills

Please note that Acorn now has stock of refills for the JP150 Printer. Details as follows:

Code	Description	Retail Price	Dealer Price
ABJ04	Ink Jet Refills	£19.95	£15.56

Please order using the above product code, from your normal supplier.

Yours faithfully
