

SALES NEWS Issue 86

12th November 1993

Dear Dealer

Master 128

I would like to draw your attention to the fact that the Master 128, AMB 15, will shortly be out of stock and we have now received our final production delivery.

Please ensure you place your orders now to ensure you receive an allocation of this product as stocks are limited. It would be advisable for you to contact any schools you normally supply to ensure that they are aware of the situation.

ESSC/Assist Claims

Please ensure that the correct product codes are quoted when claim forms are submitted for payment to avoid a delay in payment.
