

# SALES NEWS Issue 95

10th March 1994

Dear Dealer

## A4 3 Year Warranty and On-Site Support

We are pleased to announce that Acorn can now offer a 3 year warranty and on-site support service on the A4 Portable, both FD and HD system. Details as follows:

<b>Code</b>	<b>Description</b>	<b>RRP Exc VAT</b>	<b>RRP Inc VAT</b>
TSA41	3 Year warranty and on-site support	£127.62	£149.95

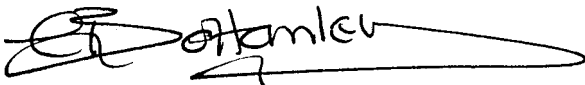

Normal dealer discounts apply. In stock now.

Existing owners of the A4 can purchase this product, but the period of cover will be from when they purchased the A4, not when they purchase the support service, ie proof of purchase will be required.

In addition to the above, as of today's date, all A4 Portables, AKB62 and AKB66, will be supplied with a 1 year warranty and on-site support service, at no extra cost. This will be bundled with the computer and will not be evident on despatch notes.

If you currently hold stock of either A4 models which do not contain the on-site support warranty cards, please contact me by fax, quoting your serial numbers and we will be happy to issue cards free of charge.

Yours faithfully

Tracy Bottomley  
Sales Desk Supervisor
