

Important Warranty Information

If you did not take out an extended warranty for your Risc PC when you purchased it, there is still an opportunity for you to take advantage of the special price for Three Year On-Site Warranty and Hotline Support.

Just telephone the number below and register with Granada Microcare. Have the serial number and date of purchase of your computer ready, since you will be asked for them.

Provided that you register with Granada Microcare within 30 days of the date of purchase, you will qualify for the special discounted price of 6% of the RRP (excluding VAT) of your computer system.

Call this number now to register and take advantage of this special extended warranty offer:

01234 265027

Note that Granada Microcare Three Year On-Site Warranty and Hotline Support is only available within the UK mainland, Northern Ireland and the Hsle of Wight.
